To Whom It May Concern:

DSI Enterprises is pleased to say that we recently became a client of SIB, and they performed a successful review of our fixed costs.

SIB displayed thorough expertise and their team was very familiar with the day-to-day operations and challenges faced by a business like ours. They seem to have a knack for focusing on the smallest details and turning them into significant, continuing savings. We also enjoyed working with the SIB staff, and appreciated their professional and efficient communication of their findings.

We are grateful to SIB for auditing our expenses and improving our profit margin. We have already begun recommending their service to other businesses, and we will continue do to so in the future.

Sincerely,
