Dear Sir or Madam,

Our company owns and operates approximately three dozen Little Caesars restaurant locations, and we are an active member of the Independent Organization of Little Caesars Franchisees (IOLCF). Earlier this year, we felt that some of our expenses could use some outside scrutiny, and after meeting an SIB representative at an IOLCF event, we decided that they were a qualified expert to work with.

SIB provided prompt, diligent services and their staff was very knowledgeable. Our staff could tell that SIB had lots of experience working with companies like ours. When SIB presented their proposals, it was very clear to us exactly the kind of financial benefits these steps would create, both in the short term and the long term. It was an easy decision to work with SIB, and an even easier decision to take advantage of the savings they proposed.

In summary, SIB Fixed Cost Reduction provides a valuable service, and they delivered real benefits to Magnum Foods. We would strongly recommend them to other IOLCF members, or any company managing multiple sites.

Sincerely,

Teresa Coffman, CPA
