

Comprehensive Services Overview

Spend Smarter

SIB is the leading cost reduction and contract compliance services firm. We empower business leaders in mid-market, enterprise, and private equity companies with access to benchmarking data, technology, and spend category expertise that improves profitability by leveling the playing field with service providers.

\$4 Billion+
in savings delivered

8,000+
clients served

500,000+
pricing benchmarks

Most companies don't have the time, technology, or internal resources to vigilantly monitor hundreds of complex bills and contracts for savings opportunities across complex spend categories.. But SIB does.

- > Identify and eliminate billing errors
- > Mitigate price creep
- > Recover extraneous fees and surcharges
- > Capture outstanding service credits
- > Resolve service disputes
- > Rightsize services to demand
- > Eliminate unfavorable contract language
- > Optimize rates, terms, and conditions

Secure and maintain the best prices, terms, and conditions from your current service providers.

The SIB portfolio of [companies](#) delivers support and expertise in every critical area of your spend.

Contract Compliance

Generate immediate and ongoing cost savings by holding vendors accountable to their service promises and pricing commitments and recouping credits for costly billing errors.

Cost Reduction

Reduce business costs to increase profitability by an average of 11-34% across multiple spend categories without changing vendors or service levels.

Logistics Optimization

Leverage data analytics, proprietary benchmarking, and decades of carrier negotiating experience to turn shipping into a competitive advantage.

Private Equity Value Creation

Reduce indirect spend without friction or risk and close EBITDA gaps while keeping portfolio management focused on growth.

Utilities Management for Energy, Waste, and Telecom

Manage change and complexity, save money, and prepare for the future with optimized contracts and modernized solution designs for essential business services.

Blockchain

Embrace the future and eliminate telecom billing and ordering challenges with accurate-rated inventories, self-funded smart contracts, and the industry's only live blockchain solution.

Smart Spending Results

SIB knows how to get results for businesses just like yours. [Explore more examples >](#)
